NOTE FOR SUPPLEMENTARY QUESTIONS.

The Govt. Headquarters Hospital and the Lady Goschen Hospital,Mangalore, are now being utilised for the clinical teaching of the students of the Kasturba Medical College,Udipi. It has therefore, became necessary to improve the hospitals to make them suitable for teaching purposes. ~~The authorities of the College has agreed to meet 50% of the non-recurring cost on account of the purchase of equipments etc.~~ In that connection the Director of the Barnard Institute of Radiology Govt.General Hospital,Madras, stated that the X-ray dept. of the Headquarters Hospital,Mangalore, should have 250 mgms of radium element in needles and tubes in addition to the X-ray ~~equipment~~ equipments, the cost of which will come to Rs.131300/- The Director stated that the radium needles could be conveniently spared from the existing stock in the Barnard Institute. The D.M.S. agreed with his views. The Govt accepted the suggestion and ordered that 250 mgms of radium may be transferred from the Barnard Institute to
